Letter No.A[illegible]-1641/P.R.201/29-30 dated 14-5-30 from the Deputy Commissioner Chitaldrug District, to the Muzrai Commissioner in Mysore.

Subject:- Disposal of Honnappa Naidu's Chattram building at Davangere.

In forwarding herewith the file of records received with the Davangere Sub Division Officer's No.387/29-30 dated 1st March 1930 in the above matter I have the honor to state as follows:-

The late Mr. Honnappa Naidu constructed a building at Davangere now called as "Honnappa Naidu's Chattram" when he was Amildar of that taluk, out of public subscription for his quarters and that after he left the place it became a chattram.

Mr. M. H. Venkataswami Naidu, his son, having complained in 1915 that he had been dispossessed by the local authorities of a chattram and four shops adjoining it constructed by his late father for charitable purposes, the matter was enquired into and the Government have in their order No.3881-3/I.R.8-10-23 dated 30th October 1926, directed that "the chattram and the shops referred to may be entrusted to the care and management of Mr. Venkataswami Naidu, subject to the conditions that he does not interfere with the charitable purposes to which the chattram etc., have been hitherto used and that he claims no alienable right in the properties devoted to charitable purposes and that the mismanagement involve resumption of the building etc., under the management of the Government." (vide flag A.)

Mr. M. V. Honnappa Naidu, brother of Honnappa Naidu, having sold on 25th May 1925, four shops attached to the chattram to one Siddaramanna under a registered sale deed for Rs 1,000, the then Sub Division Officer, Mr. Charles N[illegible]ronha, after due enquiry, issued orders to the Amildar, Davangere, on 26th April 1926, to arrange to take charge of the whole property and evict the persons who had unauthorisedly taken possession of the same.

The Amildar, Davangere, having submitted an estimate for Rs 940 for effecting urgent repairs to this building which is under Government management, the Sub Division Officer, Davangere, after personal inspection, reports that the building is in a very bad condition and that it is not serving any useful charitable purpose as it has been parcelled out into dwelling houses and rented out. He further reports that the accumulated rent viz., Rs 451-12-0 at the credit of the institution, is found to be insufficient even ~~though~~ to repair the building, and recommends its disposal in public auction instead of being repaired at a huge cost. I inspected the building in March 1930 and found it to be in too

Government to auction the building may kindly be obtained and intimated.

The entire file of records may kindly be returned when done with.

For Luzrai Commissioner

Letter No.A5-C.1641/29-30 dated 12-2-36 from the Deputy Commissioner, Chitaldrug District, to the Muzrai Commissioner in Mysore.

Subject:- Disposal of Honnappa Naidu's Chattram at Davangere.

With reference to your order No.D1 Dis.334/34-35 dated the 19th June 1935 on the above subject, I have the honor to state that the materials of the defunct chattram building were sold by the Amildar, Davangere Taluk, in public auction oh 2nd August 1935 when a total sum of Rs 312 was realised and credited to the chattram funds. It is repored by the Amildar that there is a balance of Rs 1,353-12-0 at the credit of the chattram in the Muzrai funds and Rs 300 more in the shape of bonds (vide report dated 4th December 1935).

2. As regards the utilisation of the savings the Amildar, Mr. Venkatarama Rao, had proposed that the entire balance -- cash and bond-- might be utilised for constructing a new building on the same site for a Primary School. This proposal had been supported by the Sub Division Officer, also (videreports dated 16th and 19th April 1935).

3. Some of the residents of Davangere petitioned to this office on 30th April 1935 representing that Mr. Honnappa Naidu constructed also an Eswaradevaru temple out of public subscriptions and that during his lifetime he was utilising a portion of the rent on the chattram building for nityakatle sevas in the said Eswaradevaru temple and also in Sri Pranadevaru temple, a Muzrai institution of the same place. They represented that the savings of the defunct chattram might be utilised for renovating and for arranging nityakatle worships in the two temples.

4. The present Amildar (Mr. Chikkanarayanaswami) considered both aspects of the question and opined that it is not necessary to utilise the amount for a non-Muzrai purpose such as a Primary School, especially in view of the existence of connected Muzrai institutions at the locality which are in real need of monetary help for renovation and daily pujas. He therefore suggested that the full amount at the credit of the chattram as also the sale proceeds of the site might be apportioned between the two temples and that arrangements made for their future management by clubbing together as a single Muzrai institution.

5. As there was thus difference of opinion about the disposal of the savings, I have enquired into the matter locally. The Sub Division Officer now suggests that the site might be reserved for the present and sold when a suitable opportunity arises, the realisation being credited to the Chattram Savings Fund. As regards the balance at the credit of the chat-

chattram, he suggests that it might be credited to the funds of the Sri Anjaneyaswami and Eswaradevaru temples. I agree with the Sub Division Officer in this, his modified suggestion, and request the favour of early orders in the matter. The proposal of the Amildar and the Sub Division Officer to sell the wall and the site on which it stands to Gurulingappa may also be approved.

6. The fi e of correspondence bearing on the subject is enclosed herein for perusal.
